

**NOTE**

**IN TERMS OF SECTION 14A OF SCHEDULE 4 TO THE SOLICITORS  
(SCOTLAND) ACT 1980**

The Tribunal has refrained from publishing the full Decision in this case. To publish any of the Findings in fact relating to the Decision or to give details of the Complaint would identify and cause embarrassment to a public official. To identify the Respondent in the published Interlocutor would provide sufficient information to identify the public official given the publicity that was given to some of the circumstances giving rise to the prosecution.
